

The Wythenshawe Catholic Academy Trust

Journeying together with Jesus Christ, we learn to love and love to learn.

12th March 2019

Dear Parent/Carer

Following advice from Public Health England, if your child has symptoms of coronavirus infection (COVID-19), however mild, please do not bring them to school for 7 days from when their symptoms started.

The most common symptoms of coronavirus (COVID-19) are recent onset of:

- new continuous cough and/or
- high temperature

In these circumstances, your child's absence will be authorised.

Please note that our schools will continue to be open until we are advised to close. We are busy planning how to continue educating pupils in the event of school closures and will keep you abreast of any further developments.

If you have any questions, please do contact the Headteacher at your child's school.

Sacha Humphries

CEO, Wythenshawe Catholic Academy Trust
