National Curriculum English programmes of study content	Read Write Inc. Literacy and Language	Read Write Inc. Spelling
Spoken language	Developing children’s confidence and ability in their spoken language and listening skills is an integral part of the Literacy and Language programme, throughout all year groups. Rules for discussion are explicitly taught and there is a poster for ‘Effective discussion’ that can be printed out and displayed in the classroom.	
<i>Pupils should be taught to:</i>		
<i>‘Listen and respond appropriately to adults and their peers.’</i>	The teaching sequence in every unit involves listening and responding to both the teacher and partners. The TTYP (Turn To Your Partner) and MTYT (My Turn Your Turn) signals are embedded from the start of the programme, so that frequent, structured discussion flows naturally through every unit.	
<i>‘Ask relevant questions to extend their understanding and knowledge.’</i>	Questions are encouraged throughout the programme, including a Big Question discussion at	

	the end of Days 1-8 in every unit. These questions explore an idea linked to an aspect of the text covered each day.	
<i>'Use relevant strategies to build their vocabulary.'</i>	Listening carefully to texts and rehearsing orally what they want to write all help to build the children's vocabulary.	
<i>'Articulate and justify answers, arguments and opinions.'</i>	See notes above on Big Questions.	
<i>'Give well-structured descriptions, explanations and narratives for different purposes, including for expressing feelings.'</i>	Partner work is continually used for children to practise their descriptions, explanations and narratives for a variety of purposes.	
<i>'Maintain attention and participate actively in collaborative conversations, staying on topic and initiating and responding to comments.'</i>	See notes above on Big Questions.	
<i>'Use spoken language to develop understanding through speculating, hypothesising, imagining and exploring ideas.'</i>	Discussion with partners, in groups and as a class is used throughout the programme to explore ideas and predict outcomes.	
<i>'Speak audibly and fluently with an increasing command of Standard English.'</i>	Frequent invitations for partners to share their ideas in front of the class, encourages confidence in speaking audibly and fluently – and in Standard English.	
<i>'Participate in discussions, presentations, performances, role play, improvisations and debates.'</i>	A wide variety of oral work is contained in all units, including discussion, performances and role play.	
<i>'Gain, maintain and monitor the interest of the listener(s).'</i>	Children will become more skilled at this through the continual paired, group and whole class oral work.	
<i>'Consider and evaluate different viewpoints, attending to and building on the contributions of others.'</i>	These skills will be encouraged at appropriate points throughout the unit.	
<i>'Select and use appropriate registers for effective communication.'</i>	Children will practise these skills through the regular oral activities which cover a wide variety of spoken tasks for different purposes and audiences.
